## **PROFILE**

The arts have been a part of my life from a young age. I started tap dancing and drumming at the age of ten. I started acting in my late teens as a means to attain my dream job, Blue Man Group. I currently live in Las Vegas and work as an indoor skydiving instructor and free lance musician, model and actor.

## **SKILLS**

My acting, dancing and modeling experience has given me the ability to be comfortable in many diverse situations. I have studied improv at a professional level while performing with the Blue Man Group. I also graduated from a 14 week long Dale Carnegie Communications class. A real passion of mine is meeting new people. I find myself lucky to live in such a transient town as Las Vegas where there is a constant influx of new faces.
